

Holiday Rental at YOUPLANTRAVEL

Terms and Conditions

General Conditions

1. YOUPLANTRAVEL is a website offering touristic services and products including holiday rental where it mediates between the owner of holiday accommodation offer (called further “the Owner”) and a person who purchases this offer (called further “the Customer”).
2. YOUPLANTRAVEL reserves the right to modify and update Terms, Conditions and Instructions of Holiday Rental at any time without prior notice. The Owner has to make sure that they are always up-to-date with the applicable documentation.
3. Publishing a holiday rental offer on YOUPLANTRAVEL website is free of charge for the Owner.
4. The Owner is obliged to provide all necessary details and updated information about the holiday rental offer.
5. In order to make the offer more attractive, the Owner should deliver as many useful materials as possible. YOPLANTRAVEL suggests delivering pictures, maps, information about the neighborhood, attractions, activities, routes.
6. YOUPLANTRAVEL makes every effort to ensure that YOUPLANTRAVEL website operates properly, does not give errors, should they arise, repair them and to ensure that the contents of the website are regularly updated.
7. The Customer who wishes to purchase a holiday accommodation, always makes payment through YOUPLANTRAVEL website and afterwards the payment is forwarded to the Owner.
8. The Owner will receive the payment no later than within 24 hours after the Customer checks in counting from the last hour of obligatory check in specified earlier by the owner. Specific conditions can be negotiated individually between the Owner and YOUPLANTRAVEL.
9. The offer published in YOUPLANTRAVEL can be subjected to the Customer verification via marks, reviews and comments.
10. The Owner is obliged to have the online calendar where the rental offer availability can be checked. The calendar must be shared with YOUPLANTRAVEL.
11. YOUPLANTRAVEL passes the data related to accommodation availability to YOUPLANTRAVEL website.
12. The Owner has to to make sure that the calendar is always updated and takes full responsibility of this data.
